

Why read THE GREAT AWAKENING?

Believers, unbelievers and agnostics need to read THE GREAT AWAKENING. It reveals GOD in action founding his church in a hostile environment. It details how GOD sustains us in the face of the unrelenting EVIL.

God's tools are:

1. God is always with us.
2. God is all powerful he created the universe and still sustains it.
3. God knows everything. He is aware of past, present and even future events before they occur.
4. God never changes. His love and mercy were there at creation and are still with us today.

This book encourages readers to seek God daily. If we do we will see him working in our lives!
